

Private & tailor made tours

We can organise tailor made private trips for both individuals and groups. Our wealth of experience of travelling in the Highlands and Islands and access to locations and accommodations you may not find on your own ensure an experience you'll remember. We can provide buses, drivers, accommodation and expert advice.

We have 5, 8, 16 and 23 seater Mercedes vehicles.

You may wish to have your own private tour using one of our regular tour routes or prefer for us to tailor a route to your requirements.

Please contact us with a rough outline of your dream trip and we will get back to you.

Some options include:

Visit fantastic Castle - some of them you can stay in too!

Enjoy exclusive tastings at some of Scotland's best whisky distilleries

Take walks through some of Scotlands most dramatic and beautiful scenery

- all of our guides are qualified in outdoor first aid.

savour and views to take in.

Sea Kayaking for one or multiple days with an overnight camp. In this wild, island studded sea loch you will paddle amidst stunning mountain scenery with panoramic views of the Applecross Hills, the Skye Cuillin and Raasay.
