Accommodation, Meals and Activities

3 star accomodation and breakfast is included in the price of a tour. All activities listed in an itinerary are also included. Lunches and evening meals are excluded. We will provide a choice of places for you to eat that we have tried and tested.

Clothing and Footwear

Warm clothing, waterproofs and sturdy shoes for a bit of hiking are a must regardless of the season! We will be getting into the great outdoors regardless of the weather, so come prepared. In summer it can be warm enough for a pair of shorts or a t-shirt! Walking boots a must for the walking tours. Otherwise trekking shoes / trainers / sneekers are fine for the shorter tours.

Other bits'n'bobs

Obviously a camera is a must, as can be sunscreen in the summer months (don't laugh too hard!) and binoculars can be handy for spotting wildlife. A sense of humour is always good as is that holiday feeling!
